How to find us?

By car

Please be advised that Wolfgangstraße is a one-way street. To get to house number 92, you will have to turn into Wolfgangstraße from either Reuterweg or from Leerbachstraße.

By Public transportation

From the main station there is public transport which will take you to our office within approx. 15 minutes. First take the “S-Bahn” (urban railway line) and get off at the station “Hauptwache”. From there take the underground, lines U1, U2, U3 or U8, to the station “Grüneburgweg”. Then walk (in the direction the underground travels) along Eschersheimer Landstraße until you get to the crossroads with Wolfgangstraße. Turn left here. Number 92 is about 100 metres down the street.

By airplane

You can get to our law firm from Frankfurt Airport in about 30 minutes, using public transport (“S-Bahn” to the station "Hauptwache", then underground lines U1, U2, U3 or U8).
